Course: 2.6km track with thick grass and hills galore. We strongly recommend tubeless knobby tires with sealant.

Course preview: There are two open sessions at 30 minutes each. **DO NOT** ride the course while other races are going on. There is an allotted time of 15 minutes between the scheduled ending and starting of races. Racers will be informed when the course is clear for preview ahead of the finish line.

Directions: From Interstate 15 take Spring Mountain Road exit west bound. Travel 5.3 miles and make a right into Desert Breeze Soccer Complex just after crossing over Cimarron Rd. Event registration tents and race start/finish are down the paved walking path near the restrooms. No cars or trailers on paths or grass. All items needed (coolers, bikes, gear, chairs) must be hand carried or carted down from the parking lot.

USA CYCLING LICENSE IS REQUIRED. 1-Day licenses will be available during registration. Those that are above a category 5, but do not hold an annual license can purchase a 1-day EXPERIENCED license for \$25 on the USAC website. Please bring proof of purchase. To purchase a 1-day license, 1-day EXPERIENCED license, or annual license in advance, visit [www.usacycling.org](http://www.usacycling.org).
